ABOUT US

The Woodlands Area Economic Development Partnership (EDP) has been the lead economic development agency for The Woodlands Area since 1997.

EDP is the only membership based economic development organization in Montgomery County and is a 501(c)(6).

EDP investors are the foundation of the organization. They provide the resources needed to carry out the priorities of the EDP mission to create high-wage, high-value jobs, and capital investment through recruitment, retention and expansion efforts.

MEMBERSHIP HIGHLIGHTS

GOLD MEMBERS

Howard Hughes

MEMBER TESTIMONY

“For the more than 22 years, Memorial Hermann The Woodlands Medical Center has been a proud member of The Woodlands Area Economic Development Partnership (EDP) – in fact, we are considered one of its founding members.

The EDP allows us each to actively participate in growing the number of employers attracted to South Montgomery County and The Woodlands – bringing jobs, potential customers, resources and amenities to our area. Through the efforts of the EDP, many organizations have relocated to South Montgomery County and existing businesses have been retained.

I would certainly recommend the EDP to other companies and organizations; EDP briefings, networking opportunities and quarterly partner luncheons are among membership benefits.

Memorial Hermann truly finds value in this essential organization and we are willing to take time from our busy schedules to participate.”

Josh Urban, SVP & CEO of MHTW & MHNE; EDP Vice-Chairman and Silver Level EDP Member
