### ABOUT US

The Woodlands Area Economic Development Partnership (EDP) has been the lead economic development agency for The Woodlands Area since 1997.

EDP is the only membership based economic development organization in Montgomery County and is a 501(c)(6).

EDP investors are the foundation of the organization. They provide the resources needed to carry out the priorities of the EDP mission to create high-wage, high-value jobs, and capital investment through recruitment, retention, and expansion efforts.
